Joplin tornado recovery (ID: 65400)

05/14/2013 01:29 PM EDT

Joplin, Mo., July 12, 2011 -- Kim Cox, center, of the Citizens Advisory Recovery Team, speaks with community residents during a meeting about the recovery of the City of Joplin in the wake of the devastating tornado. Attendees posted comments on six information boards (housing, neighborhoods, environment and infrastructure, economic development, schools and community facilities, and sustainability and community vision). The meeting facilitated discussion about issues, assets and opportunities. FEMA photo Steve Castaner

Visitors Attend Monmouth Park Opening Day After Sandy (ID: 65393)

05/14/2013 10:43 AM EDT

Oceanport, N.J., May 11, 2013 --Visitors scout out horses at Monmouth Park's opening day after six months of closure following Hurricane Sandy. Monmouth Park opened its gates to shelter about 3,000 displaced Sandy survivors after the storm laid waste to the east coast last fall. Rosanna Arias/FEMA.

Monmouth Park Races Kick Off the Season (ID: 65392)

05/14/2013 10:42 AM EDT

Oceanport, N.J., May 11, 2013 --Horse races kick off the season for Monmouth Park after a long winter repairing damages and serving the community after Hurricane Sandy. Monmouth Park served as a shelter and command post after the coastal storm's devastation last fall. Rosanna Arias/FEMA

Repairs are underway on Ellis Island (ID: 65390)

05/14/2013 10:42 AM EDT

Ellis Island, N.Y., May 6, 2013 --Hurricane Sandy caused significant damage to the infrastructure of Ellis Island. There is a major cleanup of the flooded areas underway and some power has returned. There is no date yet as to when the Island will be opened to the public. K.C.Wilsey/FEMA
